Re: California Wineries & Vineyards LLC Regional Center  
Receipt No. W09000190

Pursuant to Section 610 of the Appropriations Act of 1993, on January 8, 2009, the California Wineries & Vineyards LLC Regional Center, was approved and designated as a regional center to participate in the Immigrant Investor Pilot Program. In a written request dated January 23, 2009, California Wineries & Vineyards LLC Regional Center sought to amend its initial Regional Center designation, to include the County of Sonoma California.

Based on its review and analysis of the request to amend the previous California Wineries & Vineyards LLC Regional Center designation, the business plan, and supplementary evidence, the U.S. Citizenship and Immigration Services (USCIS) amends the designation of the Regional Center as requested to incorporate the above change as described below:.

**GEOGRAPHIC AREA:**

The California Wineries & Vineyards LLC Regional Center shall have a geographic scope which includes Napa and Sonoma Counties of California.

**FOCUS OF INVESTMENT ACTIVITY:**

As depicted in the economic model, the general proposal and the economic analysis, the Regional Center will engage in the following economic activities: Direct equity investment into vineyards and troubled wineries.

The Regional Center for EB-5 Immigrant purposes shall focus investments into a mix of commercial enterprises, expansion of existing enterprises, & troubled businesses in the following two (2) target industry economic clusters:

1. Vineyards (Farms)
2. Wineries

If any investment opportunities arise that are beyond the scope of the approved industry clusters, then an amendment would be required to add that cluster.

Aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for these commercial enterprises located within the approved Regional Center area. Aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for these commercial enterprises located within the approved Regional Center area. The geographic focus of this area may contain some High Unemployment Targeted Employment Areas (TEAs) as designated by the State of California and rural TEAs as defined in 8 CFR 204.6(e). Therefore, the minimum capital investment threshold for any individual immigrant investment into an approved commercial enterprise throughout the Regional Center shall be not less than \$500,000, if the investment target is located within a TEA or \$1,000,000 if it is located outside of a TEA. No debt arrangement will be acceptable unless it is secured by assets owned by the alien entrepreneur. A full capital investment must be made and placed at risk.

#### **EMPLOYMENT CREATION**

Immigrant investors who file petitions for commercial enterprises located in the Regional Center area must fulfill all of the requirements set forth in 8 CFR 204.6, except that the petition need not show that the new commercial enterprises created ten new jobs indirectly as a result of the immigrant investor's investment. This determination has been established by way of USCIS' acceptance of the final economic analysis that is contained as part of the approved Regional Center proposal and its indirect job creation model and multipliers contained within the final approved Regional Center application package. Rather, the investor must show at the time of removal of conditions that they performed the activities described in the RIMS II model and on which the approved methodology is based.

In addition, where job creation or preservation of existing jobs is claimed based on a multiplier rooted in underlying new "direct jobs", the immigrant investor's individual I-526 petition affiliated with your Regional Center, should include as supporting evidence:

- A comprehensive detailed business plan with supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of any new direct jobs for "qualifying employees" to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B).

An alien investor's I-829 petition to remove the conditions which was based on an I-526 petition approval that involved the creation of new direct jobs or the creation of new indirect jobs based on a multiplier tied to underlying new direct jobs needs to be properly supported by evidence of job creation. To support the full number of direct and indirect new jobs being claimed in connection with removal of conditions, the petition will need to be supported by probative evidence of the number of new direct full time (35 hours per week) jobs for qualified employees whose positions have been created as a result of the alien's investment. Such evidence may include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.

However, where preservation or creation of "direct jobs" is claimed in support of an immigrant investor's I-526 petition affiliated with the Regional Center, then:

- To be credited for preserving/maintaining pre-existing direct jobs for "qualified employees" with the Regional Center for a "troubled business" as defined by the regulation at Part 204.6(e), the individual I-526 petition must be supported by probative evidence of the number of full time (35 hours per week) qualified employees, whose positions shall be preserved/maintained throughout the alien's period of conditional residency. Such evidence should include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.
- To be credited with projected creation of new "direct" jobs for "qualifying employees" upon filing the I-526 petition, then the petition must be supported by a comprehensive detailed business plan and supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of any new direct jobs for "qualifying employees" to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B).
- For the purposes of an alien investor's filing of a subsequent I-829 petition to remove the conditions wherein the investment through the Regional Center involved the creation of new direct jobs or the creation of new indirect jobs based upon a multiplier tied to underlying new direct jobs, then to support the full number of direct and indirect new jobs being claimed, an alien's subsequent I-829 petition filed in connection with removal of conditions, the petition will need to be supported by probative evidence of the number of new direct full time (35 hours per week) jobs for qualified employees whose positions have been created as a result of the alien's investment. Such evidence may include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.

**Additional Guidelines for individual Immigrant Investors Visa Petition (I-526)**

Each individual petition, in order to demonstrate that it is associated with the Regional Center, in conjunction with addressing all the requirements for an individual immigrant investor petition, shall also contain as supporting evidence relating to this Regional Center designation, the following:

1. A copy of this letter, the Regional Center approval and designation.
2. A copy of the USCIS approved Regional Center narrative proposal and business plan.
3. A copy of the job creation methodology required in 8 CFR 204.6(j)(4)(iii), as contained in the final Regional Center economic analysis which has been approved by USCIS, which reflects that investment by an individual immigrant investor will create not fewer than ten (10) full-time employment positions, either directly or indirectly, per immigrant investor.
4. A legally executed copy of the USCIS approved:
  - a. The Offering Letter DRAFT (Sonoma Co) January 2009  
& (Napa Co) May 2008
  - b. Subscription Agreement; and DRAFT (Sonoma Co) dated Jan 2009  
& (Napa Co) May 2008
  - c. Operating Agreement DRAFT (Sonoma Co) January 2009  
& (Napa Co) May 2008
